IMPORTANT DETAILS TO KNOW...
What are the BCC's Definition of Bookings?

POSSIBLE BOOKING

When space and dates are available, an interested client may request a possible booking based on information provided in the event inquiry form. The specified space and dates will be held by the Buffalo Convention Center (BCC), for a reasonable time period (not to exceed 2 weeks without prior approval from the General Manager) while the client decides to make the booking definite or to release the dates.

SECOND OPTION BOOKING

When other organizations are holding desired dates, a client may request a second option hold. The original holder of the dates has first option on the desired dates and will either confirm or cancel the booking within a 72-business hour time period. After the period of time has lapsed, the Buffalo Convention Center will either confirm or cancel the original booking. If released, the space will then become available to the second client.

TENTATIVE BOOKING

A contract is issued to client with a required deposit to secure dates

DEFINITE BOOKING

An event becomes a definite booking upon receipt of a signed contract and deposit.

The Buffalo Convention Center places priority on convention groups that utilize rooms and provide economic impact in the community. For that reason, no dates can be confirmed more than 12 months out for non-convention groups. With this in mind, the Buffalo Convention Center staff will do everything possible to accommodate all events in the most appropriate manner possible.

CONTRACT POLICY

CURRENT POLICY

A ten percent (10%) deposit is required on signing of the contract for the estimated use of exhibit space and/or meeting room(s)/ food and beverage expenses.

- For repeat clients (with approved credit application) the remaining balance may be paid upon receipt of invoice following the event within 30 days of receiving the invoice.
- For new clients without established credit with the Buffalo Convention Center, a 10% deposit is required, with the remaining balance due one month prior to the first day of move in.

RETURN OF DEPOSITS

Deposits on any event are proof of the client's intent that the event will take place. Therefore, deposits are not returned on any canceled event.

RELEASING SPACE

Any space to be released from the original contract must be done at least 3 months prior to the first move-in day. There will be a room rental charge for any space released within 3 months of the event that cannot be resold.

NOTE: The BCC requires a preliminary program agenda twelve months out and a definite program three months out.

INCLUDED SERVICES

Therefore, we must insist that you work closely with your staff, service contractors, attendees, and exhibitors to ensure that no damage is caused to the building.

You, as Licensee, are responsible for any damages resulting from your event. Your Event Service Manager will make a detailed inspection of your leased premises before and after the event and will make note of damages. We encourage you to accompany them for these inspections. If damage does occur the BCC has the option, to require the responsible party to pay for the cost of the repairs.

It is important to ensure that sufficient move-in and move-out time has been booked. BCC equipment inventory may be utilized on a first come-first serve basis by the tenants. Equipment must be shared by all tenants in the facility. A full list of equipment can be obtained from your Event Service Manager.

The set up and breakdown of in-house equipment will be provided on a complimentary basis depending upon the function set-up and changeovers. Additional labor charges may be incurred by the tenant and will be discussed at the pre-event production meeting.

PLEASE NOTE: If your needs exceed our available inventory, we will be happy to assist in making arrangements for the rental of additional equipment through outside vendors at the licensee's expense.

EVENT INFORMATION LINE

Prior to your event you will receive a form requesting information pertaining to your event (i.e. admission price, show hours). The BCC will use this information to answer general questions over the telephone and email as well as compile the script for the Event Information Line. The Events Line is accessible 24 hours a day by calling 716-855-5534. This recorded message is updated regularly.

EVENT MENUS

For functions of 500 people or more, the final guarantee will be required (7) business days prior to your event. This count is not subject to reduction within this period. If the guarantee is not received, the BCC will charge your organization for the estimated number of people noted on the menu. The BCC will be prepared to serve and set the function room for 5% over the guaranteed number for all parties under 500 and 3% for parties over 500. A \$100 service charge will be applied to all food functions totaling less than \$300. The Convention Center adds an administrative fee of 22% to all food and beverage costs for the events. The Convention Center retains 7% of the charge and distributes the remaining 15% to its service employees. The 7% portion of the charge retained by the Convention Center is for the administration of the event, is not a gratuity or tip, and will not be distributed to the employees who provided service at the event.

EVACUATION PLAN

Familiarize yourself with your surroundings. Note all emergency exits in your area. The key to a successful evacuation is for everyone to remain calm. If evacuation is necessary, you will be informed via a voice-recorded message advising you to proceed to the nearest exit. If you are assisting in the evacuation of your show attendees and exhibitors, make sure they are instructed to leave by way of the nearest exit in a calm and orderly fashion. Physically challenged guests should be escorted to the nearest fire exit and the nearest BCC personnel must be notified. A detailed map can be provided upon request.

For the protection of our facility and for those guests either working or attending an event on our premises, the BCC Facility Guide contains a brief overview of the City of Buffalo Fire Regulations that may apply to various aspects of event planning.
